At **neba**, we believe that employment changes lives. Every day, we partner with individuals with disabilities and others facing barriers to employment, helping them build skills, gain confidence, and achieve meaningful employment. As a **501(c)(3) nonprofit organization**, neba has spent more than 40 years empowering individuals through personalized employment services, education, and workforce development.

We invite you to partner with us as a sponsor of the **3rd Annual Banding Together Community Social** on **Saturday, November 14, 2026**. This community celebration brings together local businesses, families, and supporters for an afternoon of live music, food, and connection—all while raising critical funds to expand opportunities for the individuals we serve.

Your sponsorship is more than support for a single event—it's an investment in people. Every contribution helps provide the training, resources, and individualized support that enable individuals to develop workplace skills, increase their independence, and build brighter futures through meaningful employment.

Enclosed, you'll find information about sponsorship opportunities available for this year's event. We hope you'll consider joining us as a community partner and helping us continue creating opportunities that strengthen individuals, businesses, and our community.

Thank you for considering this opportunity to invest in people and make a lasting impact. We would be honored to partner with your organization and welcome you as a sponsor of the 3rd Annual Banding Together Community Social.

If you would like to learn more about this event, please visit our website at https://www.nebaworks.com/bandingtogether.html.

If you have any questions or would like to discuss sponsorship opportunities that best fit your organization, please contact **Ruth Poirier** at **413-750-8627** or **rpoirier@nebaworks.com**. We look forward to the opportunity to work together.

Together, we make work possible.
